"Golden Age have been a key partner for our aged care homes, we started with a single pain management program back in February 2018 to now having a multi-disciplinary allied health programs supporting our Sydney locations.

Their knowledge of our business and the aged care industry is exceptional and their proactive approach ensures we are continually improving outcomes for our residents."

Michelle Sloane | SummitCare Chief Operating Officer

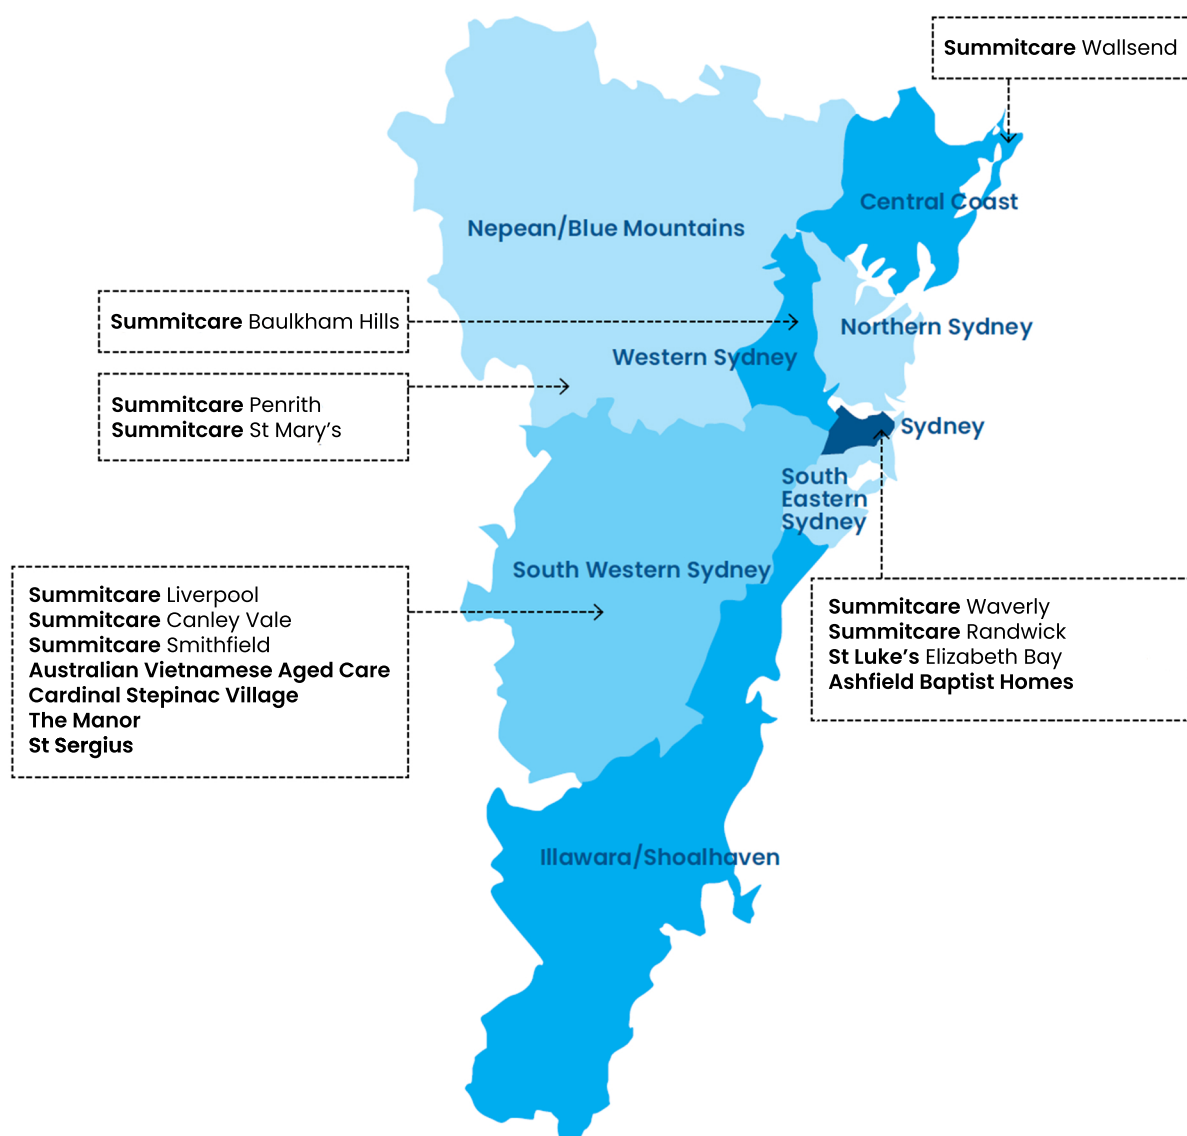

"The services they offer NDIS participants and parents are awesome and the support, guidance and resources they give to assist both providers, participants and also us support Coordinators goes above and beyond. Thank you for your hard work, fast responses and dedication you have made such a difference to the NDIS participants and their families that you have visited."

Demy Thode | NDIS Coordinator – Breakthru
