

GOLDEN AGE
ALLIED HEALTH

Do you have an active NDIS plan?

Golden Age are a registered NDIS provider. We specialise in high quality therapeutic services provided to you in the comfort of your own home or any environment.

Our services are designed to help you gain independence, increase mobility, and improve your wellbeing and comfort.

Registered NDIS Provider

Our highly skilled team of health professionals include:

- Physiotherapists
- Podiatrists
- Occupational Therapists
- Behavioural Therapists
- Speech Pathologists
- Music Therapists
- Exercise Physiologists

Some of the services we can help you with include:

- Personalised therapy services
- SIL/SDA/Robust
- Equipment prescription and training
- Skill building
- Driving assessments

We work with both plan managed and self managed clients.

We provide services across Metropolitan Sydney, with our primary service region based in South-West Sydney

We have a multilingual team fluent in Mandarin, Cantonese, Vietnamese, Tagalog, Sinhalese, Tamil, Hindi, Arabic, German and French

Why Golden Age

We have a dedicated support team, reachable by you and your support network, to attend to issues quickly and effectively.

Our services also includes timely and responsive communication to support the administration of your funds and we maintain strong partnerships with leading equipment and home modification providers, to enable us to facilitate all your allied health needs provisioned under the NDIS.

What can you expect when engaging one of our team members?

Your session will be unique, because it is all about you and your particular needs. In general, here's what happens:

- 1** We learn about you and your NDIS goals
- 2** We visit you at your desired place of treatment to understand your environment
- 3** We work together to develop and deliver a treatment plan designed to achieve your NDIS goals

How to make a referral?

You can contact us directly using any of the below details

Email – NDIS@goldenage.com.au

Phone – (02) 8355 1616

Web – www.goldenage.com.au/services/ndis-referral/

What information will help us speed up the process?

- Your plan details including key dates
- NDIS goals
- Medical history and relevant reports
- Details of when and where you would like to receive treatment e.g. all hours at a day program, after hours at home
